National Organization Seeks Help of Jacksonville Natives for World Diabetes Day

JACKSONVILLE, Fla. – (October 22, 2014) – A local non-profit association of physicians who specialize in diabetes research, treatment and care is urging news anchors in Jacksonville to participate in World Diabetes Day on November 14, 2014.

The International Diabetes Federation has named November 14 as World Diabetes Day to raise awareness of the 347 million people affected by the disease worldwide. Locally,

The American Association of Clinical Endocrinologists, the largest association of clinical endocrinologists in the world, is headquartered in Jacksonville.
